

San Diego County Art Mart Association

Membership Information

The San Diego County Art Mart Association (SDCAMA) is an art club of artists and fine crafts persons. SDCAMA is organized under the nonprofit Arts & Crafts Council of San Diego City & County. Our goal is to broaden the public's understanding and appreciation of locally produced art. San Diego County resident artists and crafts persons fulfill this goal through discussion, demonstration, and display of their original work.

Members in good standing may participate the club Art Shows. We have a wonderful location for our shows on the lawn south of the International Cottages in Balboa Park. The shows are held on the second and fourth full weekends of each month.

10.. OTHER CONSIDERATIONS

Because the SDCAMA was originally founded as a painters club, we must maintain a certain number of painters before we can offer membership to artists of any other media. After a jury has been completed, we will decide how many non-painters we can allow to join and who will be placed on our wait list. Artists on the wait list only have to jury once, and must wait until we either increase the number of painters during our future juries, or until a non-painter cancels their membership. If you happen to know any painters who would be interested in our jury, please email membership@sdcama.com with their contact information and email address.
